We welcome well-behaved children accompanied by an adult. The most appropriate age for young ladies and gents to begin taking tea, understand the etiquette, and appreciate the experience is approximately 6 years of age. We request infants and toddlers be cared for by loved ones at home to maintain the tranquil environment our guests expect when taking tea at The Victorian Lady.

All food items are freshly prepared in our tea parlor kitchen. Menu items change by the season. Accommodations can be made for Gluten Free, Vegetarian, and Nut Free diets when requesting reservations.

Gluten Free menu requests will have an additional charge.
We are not able to accommodate a vegan or dairy-free diet.

It is requested cancellations be made 48 hours' in advance of reservation date. Guests are charged for the final reservation count provided and food is packed to go for any guest who could not attend.
